

NTCP Polyclonal Antibody

Catalog No :	YT5372
Reactivity :	Human;Rat;Mouse;
Applications :	WB;IHC;IF;ELISA
Target :	NTCP
Fields :	>>Bile secretion;>>Hepatitis B
Gene Name :	SLC10A1
Protein Name :	Sodium/bile acid cotransporter
Human Gene Id :	6554
Human Swiss Prot No :	Q14973
Mouse Swiss Prot No :	O08705
Immunogen :	The antiserum was produced against synthesized peptide derived from the C-terminal region of human SLC10A1. AA range:281-330
Specificity :	NTCP Polyclonal Antibody detects endogenous levels of NTCP protein.
Formulation :	Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.
Source :	Polyclonal, Rabbit,IgG
Dilution :	WB 1:500 - 1:2000. IHC: 1:100-300 ELISA: 1:20000. IF 1:100-300 Not yet tested in other applications.
Purification :	The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen.
Concentration :	1 mg/ml
Storage Stability :	-15°C to -25°C/1 year(Do not lower than -25°C)

Observed Band : 38kD

Background : The protein encoded by this gene belongs to the sodium/bile acid cotransporter family, which are integral membrane glycoproteins that participate in the enterohepatic circulation of bile acids. Two homologous transporters are involved in the reabsorption of bile acids; the ileal sodium/bile acid cotransporter with an apical cell localization that absorbs bile acids from the intestinal lumen, bile duct and kidney, and the liver-specific sodium/bile acid cotransporter, represented by this protein, that is found in the basolateral membranes of hepatocytes. Bile acids are the catabolic product of cholesterol metabolism, hence this protein is important for cholesterol homeostasis. [provided by RefSeq, Oct 2011],

Function : function:The hepatic sodium/bile acid uptake system exhibits broad substrate specificity and transports various non-bile acid organic compounds as well. It is strictly dependent on the extracellular presence of sodium.,similarity:Belongs to the sodium:bile acid symporter family.,

Subcellular Location : Cell membrane ; Multi-pass membrane protein.

Expression : Brain,Liver,
